## Emotional Logic

This Thursday - 10a.m to 10.30a.m - is my free introduction to Emotional Logic (link in the QR code opposite or email me for a direct link.) Come along to find out the benefits of EL to you personally, within your family and friends, and professionally in your workplace, business or organisation.

If you cannot make this date, please do get in touch to arrange a chat.

## Upcoming Events

## Testimonial

"Lisa created a safe and encouraging learning environment where questions were welcomed, and emotional insights were handled with care."  
April Learner feedback

## How can Emotional Logic help me?

Increases resilience

Builds and improve relationships

A flexible approach to communication

Helps reduce likelihood of burnout

Provides a practical tool set

Take a look at this short video to find out more.

## Pets As Therapy

Dolly visited the Grove School, Market Drayton on her 5<sup>th</sup> birthday!

She loves seeing her friends there (staff and students.)

## Tutoring

Huge congratulations to Oscar who is in Year 3 for learning ALL of his times tables and division facts! He is ready for the Multiplication test a year in advance! This shows how hard work and perseverance can pay off.

## Summer School

I am able to take on extra Primary aged students over the summer-ideal for catching up or plugging gaps identified in a school report.

## What are we Reading?

Children's book: Sunrise on the Reaping by Suzanne Collins

Adult book: The Secret Hours by Santa Montefiore

EL book: Ollie in Denial

Ollie is an ostrich who buries his head in the sand whenever he feels he cannot cope with a situation. However, he learns that Denial can be helpful.
